Controller, Mysore City for orders of Govt. and has made no recommendation in the matter. 2) As regards request no 1, according to the Scheme for Mysore City, the D.S.P. Mysore is to be the Deputy Controller. In the case of Bangalore City since the Controller is also the Special A.R.P. Officer, an Asst was sanctioned to him to attend to office work. The proposal is to make the Chief Warden of Mysore City as the Deputy Controller also and it is a point for consideration whether it is advisable to combine the duties of both the posts. 3) 2 + 3 may perhaps be approved. Regarding 4, the proposal is to utilise the accommodation later on for a Hotel in the Municipal and Trust Board office and an add'l grant of Rs. 8000/- is asked for. GOVT. OF MYSORE

Sir,

I have the honour to submit for the orders of Government, copy of a letter No.A.R.P.T.329/1 dated 10th March 1942, received from the A.R.P. Controller, Mysore City, in which he asks for sanction to the following:-

1. The appointment of a Deputy Controller - Mr. N. Rama Rao being ~~suggested~~ for the place.
2. Renting a suitable building, preferably Co-operators Home, till such time as separate accommodation is provided for, for the A.R.P. Office.
3. Appointment of an extra peon for the A.R.P. Office.
4. Construction of a building in the Municipal Office compound for A.R.P. and lorry sheds, an additional grant of Rs.8,000/- being made to the Trust Board for this purpose.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

13/3 2 19/3

Letter No. A.R.P.T.329/1 dated 10th March 1942, from the Controller, Air Raid Precautions, Mysore, to the Inspector General of Police in Mysore, Bangalore.

I am enclosing herewith for your information a note given to the Dewan regarding the progress of works in the Mysore City.

Now that the work is expanding very fast and the materials are all arriving and arrangements are to be made for intensive training of the wardens, ambulance parties, fire-fighting parties, rescue and demolition parties and slit trenches are to be excavated, wells opened and often incidental necessary and urgent works undertaken, I find that with the best of effort and putting in overtime, I will not be able to give the details of the A.R.P. work all the attention that is necessary.

I think therefore, that it is necessary to appoint immediately a "Deputy Controller" who will look into all details, maintain the necessary accounts and generally under my order watch carefully the progress of the organisation.

It was at one time felt that a full time Police Officer - A District Superintendent of Police would be most suitable. But the Chief Warden is Mr. Rama Rao, Retired Director of Industries and Commerce and the medical and engineering organisations are controlled by the Municipal Health Officer and the Municipal Engineer and the Chief Warden may feel that there may be some delicacy in making such an appointment. He told me that he would be glad to serve both as Deputy Controller and Chief Warden and that he could attend office regularly in case an office was provided for A.R.P. work. I think his suggestion may be accepted and he may be appointed Chief Warden and Deputy Controller; a separate Deputy Chief Warden being appointed for the ladies branch of the wardens' organisation, ambulances, First aid and nursing services.

It is not intended to ask for any extra staff on this account for the present and it is proposed to man the A.R.P. Office with the following:-

One Steno
One Steno-typist sanctioned to Chief Warden.
* One Steno-typist sanctioned to the Health Officer.

* This official will also be the store-keeper.

One peon is now given to the Chief Warden and Mr.Rama Rao, would make use of this peon for the office. If one extra peon is given that would be enough.

The next question is about the accommodation. At present, there is no separate A.R.P. Office and the Chief and Divisional Wardens are holding their offices in their houses and the Controller's Office is being held in my office. I think it necessary to have a separate building for the office since we are now getting all the stores and with the additional officers we are ~~xskxd~~ asking, accommodation has to be provided for them. For the present therefore I would suggest our taking the Co-operators' Home on rent if necessary. If possible, I would suggest a small building being put up in the Municipal Office compound itself to accommodate the office and sheds for the lorries and stores. Later on the building put up for the office may be utilised for a hotel to the Municipal and Trust Board Office. These buildings would not cost more than Rs.8,000/-, and after the A.R.P. work is over the hotel itself when rented out may fetch about Rs.80/- to Rs.100/- a month, so that we will get a net yield of over 8% taking only 8 months' rental.

If this proposal is approved, I shall separately submit the plans and estimates for the building. I am advisedly suggesting that the Trust Board may construct the building since it may be easy for the Government to give a small grant to the Trust Board for this purpose and it would later fetch a permanent income also to the Board.

In conclusion, orders are solicited on the following atter:-

1. The appointment of a Deputy Controller - Mr. N. Rama Rao, being appointed for the place.

2. Renting a suitable building, preferably Co-operators' Home till such time as separate accommodation is provided for, for the A.R.P. Office.

3. Appointment of an extra peon for the A.R.P.Office.

4. Construction of a building in the Municipal Office compound for A.R.P., and lorry sheds, an additional grant of Rs.8,000/- being made to the Trust Board for this purpose.

Letter No.A.R.P.T.145/2 dated 30th July 1942 from the A.R.P. Controller, Mysore City, to the Inspector General of Police in Mysore, Bangalore.

RE: Accommodation for the A.R.P. Office.

Adverting to letter No.2242/W dated 31st March 1943 from the Chief Secretary to Government addressed to you, stating among other things, that "there is no need for putting up additional buildings as proposed and that for the stores a portion of the Co-operators' Home may be engaged on a reasonable rent" (extract enclosed) I have the honour to state that I wrote to the President of the Mysore Co-operative Institute, vide my letter No. A.R.P.T. 522 of the 6th April 1942 requesting to rent out a portion of the Co-operator's Home in Mysore for the purpose of accommodating the A.R.P. Office and a reply was received from him on the 17th April stating that there was no portion of the building then available for letting out to us for the Stores and the Central Office. Subsecuently, when I was at Bangalore recently for the A.R.P. meeting, I spoke to Mr. Kuppuswamy Iyengar, the President of the Mysore Co-operative Institute personally, and requested him to see his way to let out the Central Hall of the Co-operator's Home on a reasonable rent, taking into consideration the purpose for which it is required. He very kindly agreed to do so and his letter of confirmation, stating that the Central Hall of the Co-operator's Home will be made available to locate the A.R.P. Office on a rent of Rs.50/- per mensem, is enclosed herewith for information.

2. As it is found necessary to locate the office at a separate place immediately, I request approval to take this building on rent.

3. The Assistant Commissioner for whom I have asked for, to work as Assistant Controller etc., will also have his office in this building.

4. Regarding Furhiture I request that the Special Duty Officer, Mysore may be requested to spare the required number of tables and chairs.

5. As regards a telephone to this building, if it is not possible to get a separate telephone, I propose to shift the telephone now given to the Divisional Warden for Fort-Krishnaraj-Nazarbad Division, who is living very near the Co-cerators' Home to this building and give a ling 'phone to his residence.

6. Orders are therefore solicited for

i) to incur an expenditure of Rs.50/- per mensem for the rent of the building, until it is occupied,

ii) to incur expenditure (installation charges and recurring expenditure) in connection with the installation of either a link or an automatic telephone.

Extract from letter No.2242/W dated 31st March 1942 from the Chief Secretary to Government to the Inspector General of Police in Mysore, Bangalore.
